POLICY STATEMENT #77

SUBJECT: Freight Shipment/Receipt

1. The Anniston Army Depot representatives, DDAA and ANMC Transportation Officers are responsible for directing and implementing traffic management activities of the Depot, DDAA activity, and ANMC.
2. Individuals unfamiliar with regulation or laws which control our commercial airways, public streets, highways and railroads can incur large fines for improperly shipping materials.
3. Scheduling freight shipments via commercial or military air, truck or rail should be coordinated through the above offices to ensure that the shipments will be in accordance with transportation regulatory guidance.
4. This policy statement supersedes policy statement #77, dated _____.
